## A WHEEL EVENING

Scheduled for Y. M. C. A. on the  
15th Instant.

### IN HONOR OF FAST RIDERS

Cyclists of City to Be Invited — A  
Little Show — Music and  
Refreshments.

Secretary Coleman and the Y. M. C.  
A. managers believed in all sorts of  
gentlemanly sports and especially in  
cycling. It is for account of this that  
there will be a Wheelman's Evening  
at the Y. M. C. A. on the 15th inst.  
The last races in which the Coast boys  
are to take part so far as arranged  
will be held on the 16th. Those who  
will return to the Coast will book for  
the up steamer of the 17th.

This event will be especially in honor  
of Mr. Conkling the manager, Trilby  
Fowler, the trick rider and Jones,  
Sharrick and Whitman, the speed  
merchants. However, all the men who  
have ridden on the new track will be  
guests of honor and all the wheelmen  
of the city will be invited.

Every room in the big Association  
building will be used on this occasion.  
The reception committee besides Mr.  
Coleman and other officers of the As-  
sociation will be Messrs. Rice, Geo.  
Howard, Templeton, Dr. High, Benner,  
O. H. Walker, C. H. Tracy and C. N.  
Rose.

A skeleton program has been pre-  
pared. It will include songs, recita-  
tions, music by an orchestra, trick  
riding by Trilby Fowler and a game of  
basket ball. Light refreshments will  
be served. Some songs are being writ-  
ten for this particular evening. The  
glee club will be a good one and will  
present some surprises.

In the reading room there will be  
on the evening of the 15th a bit of a  
bicycle show. There are eight wheel  
houses in Honolulu. Each one will have  
a table and will show two machines  
thereon. The dealers very readily and  
willingly agreed to this plan.

At Cyclomere tonight will be pre-  
sented the best program yet by long  
odds. The feature is of course the  
Jones-Sharrick match, though there  
will be great interest in several races  
and in the efforts of Martin and Dam-  
on to lower the track lap records of  
their two classes. Jones and Sharrick,  
everyone is convinced will ride their  
very best. They have been pitted  
against each other several times and  
as to the best man it is a "dead guess."  
The events and entries are as follows:

First heat, mile match race, Jones  
and Sharrick, paced by Whitman.  
Mile open, novice—First heat: Joe  
Santos, Julius Freitas, M. V. Souza,

### FIRST TRIP.

Initial Voyage of the Schooner  
Norma as an Island Packet.

The schooner Norma, owned by Geo.  
McDougall & Sons will leave today for  
Kona ports, touching at Mahukona. It  
is the intention of the owners to send  
the Norma out on two trips each month  
and oftener if the weather is favorable,  
for the purpose of carrying freight to  
Mahukona, Kailua, Keauhou, Napoo-  
poo, Hookeana and Kaapuna. The Nor-  
ma will take freight and, from the  
way she is starting in, good trade is  
ahead of her. Although she does not  
sail until today, she had all the freight  
she could carry last evening.

Running in between steamers as the  
Norma will she will undoubtedly prove  
of convenience to shippers.

## A KNIFE WAS USED

Murder of a Jap Women  
at Lahaina.

Would Not Leave Her Husband.  
Lover Did the Killing.  
Tried Suicide.

Thursday morning at Lahaina, Yos-  
hu, a woman, was killed with a knife  
by Yoshida, whose attentions she had  
repulsed. Yoshu's husband was away  
at the time. The crime was a bloody  
one and the Japanese are considerably  
excited over it. The three people were  
employed at coffee picking.

For some time the murderer has  
been endeavoring to induce the woman  
to leave her home. She persistently  
declined. Even threats of killing had  
no effect. She did not believe the  
lover meant any harm. The husband  
was informed and said he would attend  
to the intruder.

The disappointed man planned the  
killing. He purchased a large pocket  
knife for the work. Entering the  
small home he assaulted the woman.  
He had cut off escape and the strug-  
gles of the woman were useless. Her  
screams were heard, but distant per-  
sons could not locate the scene of the  
melee. The jugular vein of the poor  
woman was opened. Five other  
wounds were found upon her. The  
frenzied Japanese had stabbed and  
slashed in wild fury.

After the killing Yoshida tried to put  
himself out of the way. Both his  
strength and courage had failed and he  
inflicted but a few slight scratches up-  
on his neck and wrists. By this time  
both white men and Japanese had  
reached the cabin and the man with  
the knife was made a prisoner. He is  
in jail at Lahaina, but will most likely  
soon be brought to Honolulu.

A coroner's inquest was held. The  
jury included Messrs. Taylor, Dickson,  
Dunn, Hime, Daulton and Gosher. They  
at once reached the conclusion that  
murder had been done and that Yoshi-  
da should be held without bail.

### MISTAKEN IDENTITY.

The Wrong Man Was Arraigned  
in District Court.

On Thursday an old Portuguese called  
at the police station and laid a com-  
plaint against Manuel Disha, charging  
him with using firearms, to wit, a .45.70  
rifle, in the vicinity of his place and  
thereby endangering life. A warrant  
was made out and Disha arrested.  
The case came up in the Police Court  
yesterday morning. Disha was placed  
on the stand and in answer to ques-  
tions put to him, said he was not the  
owner of any kind of a gun and that  
he was ignorant of anything concern-  
ing the matter complained of.

Just at this point J. W. Bergstrom  
stepped up to the Deputy Marshal and  
whispered: "Why, that Portuguese  
had nothing to do with the shooting.  
I was the one who did it, but in place  
of a .45.70 I used only a .22 calibre rifle."  
Mr. Bergstrom was told not to commit  
the offense again and the case ended.

### Only a Few Japs.

Labor requisitions were approved by  
the Board of Immigration at a meet-  
ing early yesterday afternoon. The  
total number required by eight planta-  
tions is but 822. The orders will go  
on to Japan at once. It is not likely  
that any requisitions will be considered  
for three or six months. J. A. King,  
Minister of Interior is president of the  
Board of Immigration. Wray Taylor  
is secretary. The members are J. B.  
Atherton, J. J. Carden and J. G. Spen-  
cer.

### WATSON SAFE.

Settling With Natives—Jap Labor-  
ers Will Sue Him.

News has been received of the safe  
arrival of David Watson on the other  
side of the island. He was consider-  
ably bruised from his Fall experience.  
One of the natives returned to camp  
yesterday saying that Watson had paid  
him \$8, although the amount owed  
him he claimed was \$20. The other  
natives did not get a cent.

The Japanese laborers who have  
been working under Watson have  
come to their senses and, instead of  
beating him, have concluded to bring  
suit in case they do not receive their  
pay today.

It was learned yesterday that Wat-  
son had served all connection with the  
work of building the Pail road.
